

CHRIST LUTHERAN SCHOOL: DRESS CODE

One of the complaints in modern times is how the public schools have turned into more of a "fashion show" than a place of learning. Most parents will tell you that they don't want the way their student is dressed to be a factor in how they do or are perceived in school. This is why we've moved to uniforms. Christ Lutheran School expressly does not have a school uniform intended to make all students look the same. We have a dress code that aims to promote a sense of belonging and pride in our school, respect for our educational environment, and to reduce any sense of inequality of personal dress.

Basic Dress Code

All Students shall wear any "polo type" **Solid Color** shirt, and shoes suitable for active play (no sandals, crocs, blinking shoe or any other open toe shoe is allowed). **Solid Color** "docker type" pants or shorts. Christ Lutheran School shirts, sweatshirts, and hoodies (School Spirit items) are encouraged, especially on field trip days.

Hair Color

All students must have hair that is a natural color (blonde, brown, black, redhead red)

Female Students Along with the clothing above, female students may also wear the following:

- Solid Color jumper, or dress, with or without the Christ Lutheran School logo, with a collar
- Solid Color skirts, or skorts (knee-length)
- Solid Color pants, leggings or tights (tights must be worn with skirts and NEVER by themselves).

In any area not specifically addressed, the Christ Lutheran School dress code applies, including guidelines of modest, non-offensive apparel, and proper appearance which is safe for school. This applies for every school day.

More About Shoes Any closed-toe shoe is acceptable. Examples are: Tennis shoes, canvas (Keds-type) shoes, leather (dressier shoes). Shoes to avoid: Open toe shoes such as sandals, flip flops, and other shoes that will not protect the toes and will hamper recess and gym-related activities. **NO BLINKING, LIGHTED, OR WHEELED SHOES.** These distract from learning. Won't this be expensive? Any parent who follows fashion trends, knows that you can pay \$5 for a t-shirt or \$50 for a t-shirt. The same is true for Christ Lutheran School's uniform. When doing a very simple search at our local Wal-Mart, we found that they offered a variety of affordable uniform clothing. Dress Code
