

Christ Lutheran Summer Program: Grow, Learn, Play & Serve

GROW, LEARN, PLAY and SERVE. This is the tagline for Christ Lutheran School and the theme for this summer! We decided to have a summer learning program that would not only increase academics, but also give the kids a variety of different skill-based activities that will last them a lifetime!

GROW: Each student will help manage and maintain the school garden. They will go from seed to harvest as well as planting for a fall harvest!

LEARN: Of course we will continue working on academics and strengthening to keep their skills sharp!

PLAY: Play will extend to the playground and beyond! This summer we are excited to welcome back our music director Mrs. Mautner. She will be holding classes with both voice and instruments!

SERVE: At Christ Lutheran, we are always looking for ways to serve our neighbor, this summer we will add serving FOOD! Part of the summer program will be dedicated to classic home economics as the kids learn to cook, clean and even sew!
